PARENTAL PLEDGE

The Parental Pledge is designed to aid parents and students in their commitment to education. The pledge is a way to remind them that educating students takes the commitment of administrators and teachers as well as parents and students. Success is achieved only when all four are working with a dedication to see the student succeed. This pledge is given to demonstrate your commitment to help your child be successfully in school.

I PLEDGE TO:

1. Read to my child at least 20 minutes everyday.
2. Check my child's homework to make sure it is completed and accurate.
3. Be actively involved in my child's educational process.
4. Support my child's school by participating in field trips, school programs, Parent Teacher Organization, fundraisers and the tutorial program
5. Notify the school administrator if emergency situations or circumstances arise that will affect your child's education.
